F. No 1-1/2020(Secy)

5th April, 2020

**Subject: Mental Health & Well-Being of Students during and after COVID-19 outbreak**

**Ref: D.O. No Secy(HE)/MHRD/2020 dated 4th April, 2020**

Dear Madam/Sir,

The University Grants Commission has been issuing regular advisories requesting HEIs to take all possible preventive and precautionary measures to ensure the safety and security of students, whether on campus in hostels or outside, as we confront the COVID-19 outbreak. During the period of national lockdown, it is equally important to address any kind of mental health and psychosocial concerns of the student community during and after COVID-19.

Therefore, in order to reassure the student community to avoid any kind of stress or panic in the prevailing situation vis-a-vis their studies, health and related issues, Universities and Colleges are requested to take the following measures for the mental health, psychosocial aspects and well-being of the students:

1. Set up help lines for mental health, psychosocial concerns and well-being of students in Universities / Colleges. To be regularly monitored and managed by Counsellors and other identified faculty members.
2. Regular mentoring of students through interactions, and appeals/letters by the Universities/Colleges to remain calm and stress free. This can be achieved through telephones, e-mails, digital and social media platforms.
3. Form COVID-19 help groups of students, headed by hostel wardens / senior faculty who can identify friends/classmates in need of help and provide immediate necessary help.

4. Share the following video links of Ministry of Health & Family Welfare <https://www.mohfw.gov.in/> on your University/College website, and with students and faculty via e-mail, through social media like Facebook, WhatsApp and twitter etc.:

The implementation of the above measures may be regularly monitored and actions taken in this regard may be submitted on the University Activity Monitoring Portal of UGC at [ugc.ac.in/uamp](http://ugc.ac.in/uamp).

Stay Indoors. Stay Healthy. Stay Safe.
